**MARTINEZ** The county seat of Contra Costa County, California, on Suisun Bay, thirty-five miles from San Francisco. Has deep water and wharfage facilities for all classes of ocean going vessels.

**MARTINEZ** Has a population of about 4000 within the borders of the incorporation and about 1500 additional in adjacent tracts recently opened.

**MARTINEZ** Enjoys an equable climate, being pleasant during the entire year and is practically free from all ocean fogs and storms. These statements are borne out by the fact that all kinds of deciduous fruits, berries, garden truck and even citrus fruits and figs thrive here.

To the Home Seeker, Agriculturist, mechanic or business man, there are opportunities,

BECAUSE

**MARTINEZ** Is just awakening to her possibilities.

**MARTINEZ** Is an old fashioned town

BUT

All of the streets are being paved. New industries are coming in. Old industries are being enlarged. The aggregate payrolls of these industries amount to approximately \$300,000 monthly.

HERE, THEN, IS OPPORTUNITY
